

Summary Annual Report for Alliance Coal, LLC and Affiliates Pension Plan for Coal Employees

This is a summary of the annual report for Alliance Coal, LLC and Affiliates Pension Plan for Coal Employees, 73-0956034, for the year ended December 31, 2019. The annual report has been filed with the Pension and Welfare Benefits Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Basic Financial Statement

Benefits under the plan are provided by trust. Plan expenses were \$5,323,964. These expenses included \$843,647 in administrative expenses, and \$4,480,317 in benefits paid to participants and beneficiaries. A total of 1,559 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was \$91,033,475 as of December 31, 2019, compared to \$78,204,324 as of January 1, 2019. During the plan year the plan experienced an increase in its net assets of \$12,829,151. This increase includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of \$18,153,115, including employer contributions of \$4,915,927, and gains from investments of \$13,237,188.

Minimum Funding Standards

An actuary's statement shows that enough money was contributed to the plan to keep it funded in accordance with the minimum funding standards of ERISA.
